This will be a carnival-type day for

preschoolers through 6th grade.

There will be a large selection of activities for parents and children to experience together.

These will include hands-on problem solving, math videos, game room, fun with bubbles area and a roaming “Math Jester” with sidekicks.

The morning will wrap up with prizes, take home items and a “**Stump the Parents**” **contest.**

Please note that all children must be accompanied by a parent all morning.

Cost: \$20 per family
